MEGATOUCH ENTERTAINER™

Music and games* together in one wall unit. Merit's Megatouch Entertainer is the ultimate entertainment option for both diner booths and vending machine areas, allowing patrons to play cool games or hot new music from the AMI music network. This all-in-one unit enables operators to maximize profit from their existing locations, as well as target other single-room settings, such as lobbies, office break rooms, laundromats, and school cafeterias.

MEGATOUCH ENTERTAINER FEATURES:

- Vivid, wide-angle 17" LCD
- Over 150 touchscreen games
- Free software updates plus Tournamaxx® with no per-play fees
- \$1,000 less than any other Megatouch
- Half a million songs from the AMI music library
- Music options – block songs with explicit lyrics or define a library of approved songs
- Player-selectable volume within operator-defined range
- Delivers rich, room-filling sound or softer tones for individual booth use
- Optional premium sound system mounts on unit for wide, spacious audio performance
- Lighted marquee
- Requires Broadband LAN or Wi-Fi for music and software updates
- Mounts to any flat wall
- Simple installation, no cut-out required
- 300 bill stacker with 500 coin box capacity
- Dimensions: 16.5"W x 19"H x 9.5"D, Approx. 65 lbs
- Dimensions w/sound system: 16.7"W x 21.1"H x 9.5"D, Approx. 75 lbs

*For a games-only option, ask about the MEGATOUCH WALLETTE™ (special pricing and free yearly updates not included).
