

MEGATOUCH® FIREFLY™

Light up your location with the Megatouch FireFly, the portable 12" tablet specifically designed to help restaurants retain and entertain customers. Whether sitting at the bar with friends, relaxing in a cozy booth with a date, or waiting for a table on a busy night, diners can choose from over 100 Megatouch games and select their favorite tunes from a nearby AMI jukebox on the versatile FireFly. You can even advertise your specialty drinks and featured menu items on its beautiful, widescreen display. Megatouch FireFly — catch one.
