Your PokerKard stores your player name, star rating and all the points you have won.

Place your PokerKard on your player position panel.

Your personalized player panel welcomes you and displays your current points.

POKERKARD™ is the new 1 to 4 player touch screen cocktail video game featuring Texas Hold 'Em Poker. It's amusement-only, and truly the ultimate in guest satisfaction! Available in Sit-Down and High-Top versions. **POKERKARD™** is based on the "Play For Fun" ethos - players get to kick back and enjoy pitting their poker skills against friends and strangers alike -- and everyone gets to leave the table without losing the shirt off his back!
