A central title card for "PROJECT X-PHER" featuring a yellow and black robot on a green tank-like vehicle, set against a background of a large orange sun, a blue planet, and a grey alien robot. The title is in a metallic, blocky font on a dark rectangular plate with four stars at the corners.

PROJECT X-PHER

After Depleting Mother Earth's resource, Mankind has developed a new energy source called "X-pher". However, it was taken away by an alien species, forcing an epic battle between Humans VS Aliens.

2 Recoiling Guns

You will feel the strong force feedback impacts from Project X-pher's distinctive weapons!

Real-life Sound Effects

Project X-pher's Surround Sound System will pull you into this Human VS Alien's intensive battle scenerios.

Powerful LEDs Visual Effects

The responsive flashing LEDs on machine guns, speakers, and acrylic boards display unique and powerful visual effects that will draw in all attentions
