

Beats all other 4x4s standing still.

Adding to its long and distinguished line of best-selling racing games, Atari Games proudly presents *Road Race 4x4*.

For one or two players, this exciting off-road racing game comes in an eye-catching cabinet complete with roll bars, six side-by-side, two-monitor configuration encourages two-player linked competition. A special "rump thump" feature lets a player feel the impact in his seat when he gets shot by the other player's start gun.

The superb video graphics are digitized images of real-life objects. You get incredibly lifelike cars, backgrounds, people and obstacles.

The vehicles can skid, rollover, jump, crash and burn. The steering wheel even vibrates realistically.

There's a beginner's track, plus 11 selectable courses that range from the desert sands of Saudi Arabia to the frozen tundra of Antarctica.

Standing perfectly still, *Road Race 4x4* is the hottest, fastest 4x4 around!
