SEGA RALLY

CHAMPIONSHIP 2

Even more thrilling than the first version, Sega Rally 2 is here! The incredible processing power of the Model 3 Step 2.0 board captures the stunning graphics and faithfully recreates the car bodies and course conditions.

Precision handling technology provides true racing performance!

- View the race from two distinct perspectives, driver's eye and rear view.
- Link up to 4 units for intense competitive race action!
- Feel the action with an awesome 6 speaker surround system and one intense shaker.
- Experience true-to-life steering! Feel the drift as cars race past you. Spin 360s through turns by simply pulling up on your hand brake!
- Icons and vocal navigation provides special driving tips.
- Witness your car race against your opponents on either a 50" deluxe monitor or 29" twin monitors.
- Choose the *Championship mode* to battle your rivals to the finish line or the *Practice mode* to race against the clock.
- Whether Beginner, Intermediate, Advanced, or Extreme this game has thrills for everyone!
