...ing Your View & Sonic !!

Hot cars and cool girls, roaring turbo engines and smoke from underneath of sporting tires, custom paintwork and aerodynamic body kits, wheel-spin starts and reckless speeds – that is the street racing!

Be No. 1 in illegal night city street races, make some real dough and pimp your ride balls to the wall. You have to win respect of local gangsters and deeply impress glamour bombshell Kate Lewis! You are about to enter the world of American street racing!
