

TOP SKATER

SEGA SKATEBOARDING

Catch air! Perform amazing tricks like the pros! Be the Top Skater!

TOP SKATER is a high impact piece. Players use their entire body to maneuver through ultra-challenging skateboarding courses. This is not a video game, it's a spectator sport!

- Motion-based simulator delivers authentic skateboard feel!
- Model 2 CG Board provides smooth 3D graphics!
- 50-inch projection screen immerses the player in the action!
- TOP SKATER's courses provide great freedom of movement, with different options every play. Players try new moves, or run the course for speed. It never gets tiring! TOP SKATER is great for repeat plays!

- Six unique characters with individual style and personality!

- Includes all the hard-core skateboard moves: kick flips, 180-degree turns, three-sixty flips, Indy nose bones, Ollies and more!

- Corporate sponsorship billboards are placed throughout the game, adding a sense of true realism to the action!

- Each character is sponsored by major skateboard and gear manufacturers including AIR WALK, VANS, etnies, os, REEF and A.D. ONE.

- Two Courses: Beginner and expert.

- Thrashing soundtrack by PENNYWISE, an LA-based punk band.

GAME PLAY

- Play is controlled by skateboard foot controller.
- The player earns points for smooth trick execution and timing.
- Players gain extra time by jumping through rings placed throughout the course.
- Bonus points are awarded at the end of the game for time remaining on the clock. These points are added to trick points for the player's final score.
