

Announcing the ULTRACADE Universal Conversion Kit from UltraCade Technologies.

With this kit you can transform your existing cabinets into the ultimate multi-game arcade machine. Convert your existing dead wood cabinets into money making machines!

That's what the ULTRACADE Universal Conversion Kit does!

Breathe new life into your old, tired cabinets and load them up with over a hundred classic arcade games to choose from!

With 86 games preloaded and dozens more titles to choose from, the ULTRACADE Universal Conversion Kit is an easy and inexpensive way to make your dead wood earn again!

With the flexibility and scalability of the ULTRACADE system, there's no limit to the amount of games you can load on a single machine!

The ULTRACADE Universal Conversion Kit comes complete with everything you need to refurbish your existing JAMMA compatible cabinet.

The ULTRACADE Universal Conversion Kit works with all types of cabinets and monitors either Horizontally or Vertically mounted in CGA (low res 15.75 KHz), EGA (medium res 24.5 KHz) or VGA (high res 31.5 KHz) resolutions.

It's so simple, you can start earning within minutes of opening the box!

Simply plug your JAMMA harness in and go!

All UltraCade games are 100% legally distributed games. We license all games from the original manufacturer, or in the case where a license isn't available we purchase legitimate legal copies for resale. The courts have ruled that it is legal to resell arcade game ROMs and use those ROMs for revenue generation. UltraCade Technologies guarantees that every copy we sell is 100% legal, and that you can operate all games in an UltraCade Platform. Pac-Man, Ms. Pac-Man, Dig-Dug, Galaxian & Xevious are all trademarks of Namco Ltd. Donkey Kong, Donkey Kong Junior & Donkey Kong3 are trademarks of Nintendo. Asteroids, KLAX, Joust, Robotron, Tepper & Toobin' are all trademarks of Midway Games, LLC. All other marks are the property of their respective owners. Copyright (c) 2003 by UltraCade Technologies.
