## Installation Instructions AND Parts List

REVISED

MADE IN USA  
FGH 65020021R 4-00

Note: All screws provided are located in bag with metal washers.

## Tools Required

1. Straight Head Screwdriver
2. Phillips Head Screwdriver
3. Pliers or Vice Grip
4. Crescent Wrench

## Cabinet Assembly Steps

Numbers in parenthesis refer to circled items above.

1. Open carton as instructed on carton.
2. Take out legs and accessories.
3. Take cabinet out of carton and lay upside down (item 1). Requires two persons.
4. Fasten (2) legs to cabinet by using (5) leg bolts. Each leg takes four leg bolts. Insert (4) steel tube. Securely tighten all bolts after steel tubes are assembled.
5. While table is upside down, attach (3) leg levelers to each leg.
6. Turn cabinet rightside up. Requires two persons.
7. Attach (8) entry dish with (9) entry dish screws.
8. Attach (7) score counters with (6) score counter screws. Screw holes are pre-drilled. Use long screws in package.
9. Level the table by adjusting the levelers at leg bottoms.
10. Attach drink holders (26).

Now you are ready to assemble the playfield.
